

Dreft®, the leading baby laundry detergent for more than 80 years, is specially formulated for the unique needs of baby items to help clean tough baby and toddler stains, including those from formula, juice, and baby food. Dreft is also the #1 choice of pediatricians for washing baby's clothes, and provides a gentle clean for all fabrics that may touch baby's skin. Dreft rinses thoroughly, leaving virtually no residue on baby's clothes, which ensures a gentle, soft feeling against baby's skin.
